Camp Cannonball 2017 Field Trips

Opportunities at camp

Specialty Camps- Campers will be able to register for a specialty camp. These camps will run for approximately one week, and will carry an extra cost. In previous years, we have had: jewelry making, woodworking, chess, and STEM. These camps will be announced for the summer of 2017 soon!

Volunteering- Camp Cannonball Campers will be given the opportunity to volunteer at numerous sites around our area. The goal is to become more involved with our community by helping as much as we can!
