- WORK ENVIRONMENT:** *The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.*

The noise level can vary depending on daily activities within the work environment, such as the number of people in the room. The noise level at the sites is sometimes loud and is a standard acceptable level for this environment. The work environment requires this employee to be directly responsible for students' safety and well-being. The work environment includes inside and outside areas, exposure to sunlight; risk of getting bitten by animals or insects; exposure to environmental allergens, (grass, weeds, pollens, trees, etc.) and occasional exposure to cleaning supplies.
